

Laurence Kerckhoff

Laurence earned a BA from UC Riverside in 1995 and a JD from Pepperdine Law in 1998. He worked for Heal the Bay his second year as an intern, then worked for NRDC as an intern his third year, and continued working for them as a contract attorney for a year and half after school. He then split his time between them and his father's law practice, then went to work for the State in 2000. He has been with DWR since 2003 and absolutely loves working there.
